MEMO ENDORSED

**Re: United States v. Mack Duodu,
20 Cr. 482 (VEC)**

Dear Judge Caproni:

I write with the consent of Pretrial Services and no objection from the government to request that the Court modify Mr. Duodu's bail conditions to place him on a curfew, with the hours to be set by Pretrial Services, in lieu of home incarceration.

Mr. Duodu is in compliance with the conditions of release and has been compliant since his March 18, 2020 release. He obtained the Court's permission to do construction and renovation-type work to exteriors and unoccupied interiors on September 18, 2020, and has engaged in that work without incident since that time. Mr. Duodu requests to move to a curfew now so that he can go to stores for supplies when his elderly boss needs him to do so, run personal errands with more flexibility, and pursue additional appropriate work opportunities consistent with the current limitations on his work.

Mr. Duodu's supervising U.S. Pretrial Services Officer, Ashley Cosme, consents to this request. Assistant U.S. Attorney Jonathan Rebold defers to Pretrial Services.

Respectfully submitted,
/s/ Clay H. Kaminsky
